Falmouth Oyster Festival 2025

Welcome to the 29th annual Falmouth Oyster Festival. We hope you enjoy the four day celebration of the mighty mollusc!

Marking the start of the oyster dredging season, which runs from October - March, the festival serves to spotlight the Native Fal Oyster and the generations of local oystermen who harvest them using only sail and oar. Falmouth's oyster fishery is the only one in Europe, if not the world, where traditional practices must be used.

New for 2025 we return to Event Square and expand to Princess Pavilion, offering a jam-packed programme of chef demos, live music, panel and author talks, children's entertainment, markets and street food, plus lots more, across the two venues. We're thrilled to be back with you all once again, and bringing our biggest most exciting line-up yet. Tuck into all!

What's On at Princess Pavilion?

In a festival first Falmouth's Princess Pavilion the official second venue of the Oyster Festival, alongside the return to Event Square offering a full line-up all weekend.

Craft Market

From boutique clothing to handcrafted homeware, craft stalls will be open 10:00 - 17:00 each day of the event.

Painting Demos + Q&A with Jamie Medlin

A Falmouth based marine artist specialising in photo-realistic oil paintings! You can see him Friday - Sunday from:
